

UPK Highlights

This Week's Happenings

June 17, 2011

Dear Parents,

It is hard to believe that we are close to ending the school year. It seems like yesterday these little ones came in excited and for some teary eyed the first weeks. This has been a wonderful year and I've enjoyed your children so much. And watching them grow, mature and learn has been a joy. We have learned and laughed together and now I will teary eyed when they leave UPK!

But as their summer vacations draw to a close, these little ones will be ready and eager to move on to Kindergarten! They will begin another journey forward as I will be because I am retiring after teaching 20 years for the Windsor district. But I have wonderful memories and I thank you for having your children come to Palmer UPK so they can be part of these memories! And we still have another week to spend together!

Remember too, our graduation on Monday @ 6:00 P.M. in the Palmer auditorium. Please have your child here @ 5:30 PM so we can change into our Tee shirts and get ready.

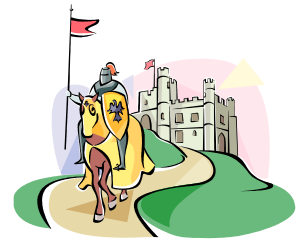

The Klumpp Park field trip is on Thurs. June 23. Students need a bag lunch, drinks and to wear sneakers for the walk to the park and for playing. Please send in the permission slips by Monday, June 20 th. *There is no rain date for Klumpp Park*

Also, Friday, June 24th. is the last day of school and dismissal is @ 11:45 A.M. and No lunch or bagged lunches will be served.

Have a great week-end,

Mrs. Arnold

Home of the Character Castle
