April 23, 2010

Greetings to all our Palmer Families,

Is it possible that we are really on the threshold of the final ten week quarter? As April rolls into May we still have so much to accomplish and look forward to before we close the books on another great school year. The theme of this newsletter, then, is to remind you of some of the exciting things that lay ahead of us in the upcoming month.

First on the list, of course, is tonight's Spring Fling Dance. Consider this your personal invitation to join us in our festively transformed cafeteria for a night of dancing and fun. Student council will be on hand selling lots of goodies to eat and we will have special framed photographs of your children available to purchase. We will also be running different basket raffles throughout the evening to help sponsor the Palmer family's Odyssey of the Mind trip to Michigan. The fun starts at 6:00 and we hope to see you there!

Next on the agenda is an important *parent* information night that is planned for May 12th. The topic for the evening is Internet Safety for Children. Some of the guest speakers include a Senior Forensic Analyst from Broome County as well as personnel from the FBI. The program begins at 6:00 and will be held at C.R. Weeks Elementary School. The evening promises to be a great resource for parents and we hope you can join us.

In more of the FYI category, I wanted to let you know that Palmer and the Middle School will be running a safety drill on May 24th. The drill is designed to review our protocol for a building-wide lock-down and is expected to take less than ten minutes to run from start to finish. Therefore, we don't anticipate any real disruption to your child's routine. I just wanted to make you aware of it ahead of time.

And of course, May concludes with well wishes as some of our Palmer students and their Coaches begin their voyage to Michigan for their chance at a World Title. Regardless of the outcome, this special group of individuals has already earned the title of World Champions in our book! Go Palmer!

Until next month,

Jamie Bernard
