What are we Learning?

Reading- We have been looking at cause effect relationships in texts.

Writing- We have written our self-based essays about what we would prefer given two choices. We also quickly wrote about what we would like to see changed in our school and will potentially send these letters on to Mrs. Bernard.

Math- We finished up our fraction unit this week and I am very pleased with the understanding the students have of fractions. We will be looking at decimals next week, which are very closely related to fractions.

Social Studies/Science- We have been learning about the 13 colonies and have taken a quiz on them. Book reports are due in less than 2 weeks.

On Tuesday, February 14th, we will be celebrating friendship by having a small sundae party and exchanging valentines. If your child is interested in exchanging valentines, please be certain that he or she includes one for every student in the room. There is a class list copied onto the back of this. Also, if you would like to send in a topping for sundaes, bowls or spoons, feel free to any time between now and the 14th. I will be supplying the ice cream.

February Character Traits: Friendship and Dependability

Where would you be without friends? The people to pick you up when you need lifting? We come from homes far from perfect, so you end up almost parent and sibling to your friends - your own chosen family. There's nothing like a really loyal, dependable, good friend. Nothing.

The mission of A.F. Palmer Elementary School is to provide a child-centered environment where every individual feels safe, nurtured, and valued and the students, staff, families and community work together to inspire each learner to reach his or her full potential.
